

LEARNING LETTER

Mrs Fay's class - Y1/2

Supported by Miss Pickup & Mr Jones

Summer Term 2 - 2022

CRA**VE** CURRICULUM NEW TOPIC Physical Geography Sunny or Snowy Days

Our focus this term is Geography, we will be exploring the seasonal and daily weather patterns within the UK and climate across the world. We will be looking at how weather changes with each season and the impact that global warming is having upon the weather in the UK and the World. We will read 'Old Enough to Save the Planet' to help inspire our children to follow in the footsteps of climate change activists.

We will go out on weekly walks to make observations of the weather, measure weekly rainfall and litter pick as we go.

SUPPORTING LEARNING AT HOME

Maths homework x1 per week. This will be sent on worksheets to fill in and return for marking.

Reading homework - I have been delighted with the reading progress our class has made. Please continue to keep this up and foster that love of reading.

Topic homework - Please see the topic homework ideas grid.

GENERAL REMINDERS

PE is on Monday/Friday, please send your child to school in their correct PE kit. No earrings. We will be doing orienteering and outdoor sports in our PE sessions, so please ensure the children are dressed appropriately for the weather.

Book bags need to be in school every day - please ensure that all books are returned to school as we have invested a lot of school money in purchasing new books. If a book is damaged, please speak to the teacher.
