

# Homework

Mr Grafton

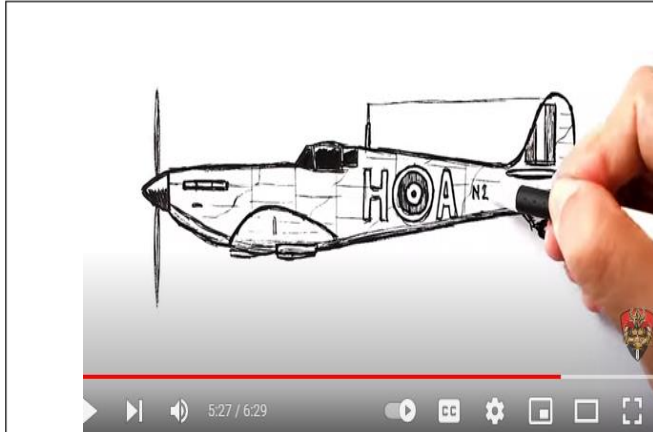

Autumn term 1 2022/23

## CRAVE CURRICULUM NEW TOPIC - What helped win The Battle of Britain

### TOPIC HOMEWORK

Please choose a homework task for this term's topic.

**Draw a Spitfire.** One of the iconic images of The Battle of Britain was the Spitfire. You could draw a single Spitfire or create a larger piece of art with Spitfires flying in all directions. I have linked a beginner video, but there are more ambitious video guides if you search. [How to draw a WW2 Fighter Plane Supermarine Spitfire - YouTube](#)

Seesaw

**The story teller.** There is a task to complete on Seesaw. Use your Seesaw login to access this task.

**The Battle of Britain board game.** Using your in-depth knowledge of The Battle of Britain, create a board game that involves having to answer questions. You will need to decide on the rules for the game and the design of the board. Include different difficulty levels in your questions. This is your chance to be 'creative' and demonstrate your knowledge of the subject.
