

HOMEWORK LETTER

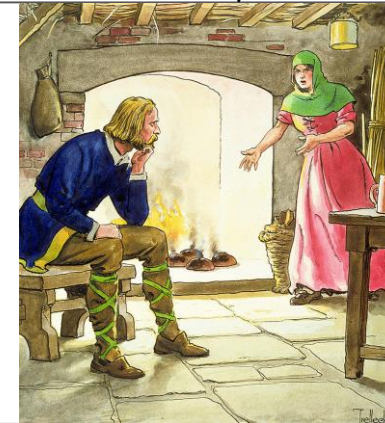

Mr Stoppard, Mrs Brown & Mr Jones
Autumn Term 1 2022/23

This term, we will learn about Alfred the Great and what he achieved in uniting the Britons against the Danes when they invaded the country. There are many stories about him as a king and we will see if we can pick out some of the facts from the fiction. For your homework, you can choose which activity to complete. For some of them, you could record your results on Seesaw or the finished project could come to school. Remember, it does not need to be here until nearer the half-term holidays (October) so have a think and take your time.

Make a big map of the different kingdoms of Britain when Alfred the Great was alive. You could make a video on Seesaw explaining the different kingdoms .

Alfred the Great had to hide away from the Danes when they invaded. One story has him hiding in a cowherd's hut and burning her cakes. Imagine that you are the king. Make a video of you hiding and describing how you feel when the Danes come looking for you.

Alfred constructed wooden forts to help him defend the land. Could you make a model using what you have at home? You could use Lego or even make a Minecraft fort to show at school.

Alfred used the latter part of his reign as a lawmaker. If you were a ruler, what laws would you decide to have. Make a list of your top five rules. You could write them out or make a video on Seesaw of you declaring the rules to your subjects.
