

HOMWORK LETTER - SPRING 1 2023

Mr Stoppard supported by Mrs Brown, Mr Jones & Mr Brentnall

This term, we will be broadening our world locational knowledge and learning about the indigenous people and geography of Russia and Brazil. We will also be writing to the author Phillip Pullman to tell him how much we liked his book 'The Firework-makers Daughter'. For your homework, you can choose which activity to complete. For some of them, you could record your results on Tapestry or the finished project could come to school. Remember, it does not need to be here until nearer the half term holidays so have a think and take your time.

Have a look around your home. What can you use to make your own map of either Russia or Brazil? The picture above shows some of the features of Brazil.

Can you make an information book about Russia or Brazil? What can you find out? What facts can you pass onto our class? Produce a booklet to share with us all at school.

Last term we learnt about different habitats and the plants and animals that live within them. Why not choose a Russian or Brazilian habitat and make a display of the animal and plants that you might find there.

Some of the artwork linked to the indigenous people from Brazil and Russia is beautiful. Have a look at some and see if you can make your own version. Use some of the art techniques you have used throughout the year.
