Head Teacher: Mr Rob Rumsby

Assistant Head: Mr Jamie Grafton

Dear Parents / carers,

Thanks for all your interest in using Nessy at home. This will certainly help all the children make progress this year. To log-on at home please use the following details.

Secret Word:- scarcebaloney

Real Name:- Your child's name then press 'Go'

Nessy Name:- This is the word Nessy and your child's name. Occasionally, if we have more than one of a child's name at school, you will need to add the first letter of your surname.

For example, my log-on would be Nessyandys (no gaps)

There is also a video for parents on this website:-

<https://www.nessy.com/en-gb/about-us/help-support>

One further bit of advice. Your child must log-off at the end of their session by clicking the 'door' on the top right of the screen, then clicking 'OK', then clicking 'Back to Login'. This will ensure that any progress they have achieved that day is recorded correctly.

If you have any questions about this, please contact school.

Thanks, Mr Stoppard.
