

Homework

Class 6
Spring term 1 2023/24

CRAVE CURRICULUM NEW TOPIC – Earning a Living Geography Focus

TOPIC HOMEWORK

Please choose a homework task for this term's topic.

Choose 10 items of food from your house/supermarket that are imported from outside the UK. Create a bar chart showing the number of miles each food item has travelled. You will need to find out the distances from each country to the UK online.

Jobs/careers are divided into public and private sector. Research the various jobs involved in the public sector. Produce a piece of work describing these jobs. Try to describe at least one of the jobs in detail, including finding out about the qualifications needed to gain employment in that field. You can present the work in any way you please.

Use the Youtube link below to find out about the supply chain of a Converse trainer. The trainer is not from one single place as the various materials are imported from different countries. Create an A3 piece of work showing the various jobs involved in making and supplying a Converse trainer.
