

Homework Challenges

Mrs Webster's class – Class 3
Autumn Term 2 2025-2026

CRAVE CURRICULUM – How to Build the Parthenon TOPIC HOMEWORK

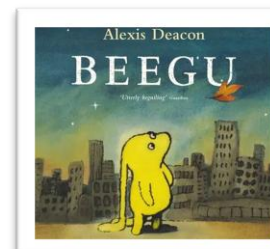

The Parthenon was a temple to Athena in ancient Greece and a treasury. Draw your own temple inspired by the Parthenon. What would it be used for? Who would visit?

Use LEGO or building blocks to recreate the Parthenon. Take a photo and explain what was tricky.

In PSHE we are learning about money, how we get it, where we can safely keep it, what coins and notes are and their relative values. Design a moneybox to save coins in using recycled materials.

Our English books this half term both have a space theme. In our first story an alien crashes and needs to find her way home. Design a spaceship to take Beegu home. Label the parts and describe how it works.
