

# Homework Challenges

Class 3– Mrs Morrell with Mrs Brown and Mrs Hopkinson

Spring 2 2025-2026

## **CR**AVE CURRICULUM - HISTORY 'FAMOUS EXPLORERS'

Please choose one of the following homework challenges to complete. You may do more than one activity. 5 Dojos will be awarded for every well- completed challenge.

Please bring your completed project back to school by the Easter holidays.

### **MAKE A SPACE SHUTTLE:**

Neil Armstrong and Apollo 11 landed on the moon in July 1969. Can you make your own model of a space shuttle? Be creative! You could use boxes from your house, make paper tubes, draw and colour, cut and stick. This picture is just an idea – make your shuttle as inventive as you would like!

### **CREATE AN EVEREST SURVIVAL KIT:**

Imagine you are off to climb Mount Everest with Sir Edmund Hillary. What do you think you would need for your journey? You could include a list of items, a map, a diary of what it was like on the mountain, some pictures from Google Earth, make a compass... it's up to you!

### **MAKE A SYLVIA EARLE FACT FILE:**

Find out who Sylvia Earle is and what she has done in her lifetime. Where has she been on her explorations? Create a fact file, like we did when we were learning about octopuses.
