

Home Learning Challenges – Class 3

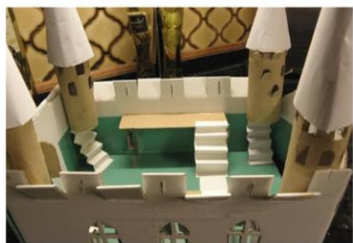

Mrs Gregory and Mrs Brown
Autumn Term 1 - 2026

This term's New CRAVE Curriculum topic is History (Kings, Queens and Castles).

TOPIC HOMEWORK: Please complete at least one of the challenges below to support learning in school. You may, however, choose your own if your child has a particular interest or idea. Please bring any work completed into school for us to share and display. Should you need extra resources, do not hesitate to ask. Please also practice our topic vocabulary.

Target Vocabulary: before, after, now, past, present, then, significance, regal, reign, similar, different, attack, protect, monarch, residence.

BECOME AN ARCHITECT! Design and make (or draw) your own imaginary castle. Label at least three important parts e.g. tower, drawbridge, moat, flag, and write a short sentence about who lives there and why your castle is special.

TIME TO RESEARCH! Choose a real king or queen from the past (for example King Charles III, Queen Elizabeth II, or a historical figure you have heard about). Kiddle.com is a safe, visual search engine for children. Draw a portrait and write 3-5 simple facts or sentences about them.

CASTLE COUNTING! Look at pictures of castles in books, online with an adult, or your own drawing. Count the towers, windows or flags. Write the number and practise saying which number is bigger.

BECOME AN AUTHOR! Imagine you have found a magic stick just like Stanley – but this one belongs to a king or queen! Write or draw a short story about an adventure the king/queen might go on.
